ICWA, 9 am – 10:30 am, Margot Dainowski, Nebraska Department of Health & Human Services:

The Indian Child Welfare Act (ICWA) was passed by Congress in 1978. It was passed in response to concerns that Native children were disproportionately removed from their homes and placed in non-Native homes. In this workshop we will identify how ICWA affects intervention, jurisdiction and placement. We will also discuss the importance of maintaining culture.

Reasonable and Prudent Parent Standard (RPPS), 10:30 am – 12:00 pm,

Felicia Nelsen & Terry Robinson:

RPPS is a provision of the Strengthening Families Act that passed Congress 2014. We will talk about how foster parents can exercise their best judgement as it relates to youths' activities and provide normalcy for youth in foster care. **This is required training for ALL foster parents by December 31, 2016.**

- Lodging, mileage and meals will be reimbursed for Western Foster Parents only who travel more than 60 miles.
- Childcare will not be reimbursed. No children at the workshop.
